

Tithing = Stealing

According to the Bible they are disqualified to preach.
This is 99.9% of Independent Fundamental Baptist preachers,
and mega church nondenominational pulpit pimps around the world.
They fleece their "flock" for filthy lucre.

One who mishandles the Word of God in order to gain a following
and lead the Church into harlotry is a pulpit pimp as well.
They don't have to make money.
Woe to every single one of them.
