

SCAMMING THE BODY OF CHRIST CALLED "TITHING"

Let's help many church goers to save their earnings for the general welfare of their families. Let's help them save their finances and be freed from this SCAM propagated by men on the pulpits deceitfully handling the word of truth (whether intentionally or not).

Most men who consider themselves "church leaders" in my country enjoy the pleasure of NOT WORKING to feed their families at the expense of church goers in "their" churches and of the support coming from other countries whose church goers mostly DO NOT understand what TITHING is all about. What thegse "church leaders" do is a simple visit to other countries like the US in the guise of a missionary journey for 6 months or a year NOT actually to preach the gospel but to visit many churches to increase their supporters to live like a King in their "monarch", the church.

Apostle Paul, the apostle of the Gentiles and of the Body of Christ never received TITHES and never preached about it. He is a tent-maker, and works day and night to feed himself and to support his ministry.

Our Lord and Savior JESUS CHRIST himself never received TITHES not even one during his earthly ministry because he fully understood that it's unlawful to receive such because he is not a Levite.

Please find time to read these fully biblical articles I'll be sharing to understand what the Bible really saith about TITHING:

Please do not get me wrong, I am not against supporting those who labor for the furtherance of the gospel, they deserve our support. Nor was I against giving because God loves a cheerful giver but let a man give out of the purpose of his heart. What I am trying to expose here is the deceitful handling of the word of truth, the exploitation (PAGSASAMANTALA) within the churches, benefitting the "ruling class".

Our Lord and Savior JESUS CHRIST is the Head of the Body, the

church, nothing more.
